

How to access the DLC Item “The Lion of Orlais” and “Fadeshear”

The Lion of Orlais and Fadeshear are a shield and weapon, respectively, which are received by having redeemed a code given by the retailer for pre-ordering Dragon Age II. This code is typically found on the receipt for retail copies and is emailed to you with electronic copies. If you have the Signature Edition of Dragon Age II these items are redeemed as soon as you register your game.

There are three ways to redeem the code. Please note that you must be signed up for X-box Live and logged in to that account for all three of these options.

Option 1:

1. At the main menu of Dragon Age II select the **Downloadable Content** menu option
2. Press the Y button on your controller (Redeem Code)
3. Press the A button on your controller to continue
4. Input your 25-digit code
5. Select OK and it will proceed to allow you to download and install your content

Option 2:

1. Go to <http://social.bioware.com>
2. Log in to your account
3. Go to Profile > Redeem Promo Code (http://social.bioware.com/redeem_code.php)
4. Enter your code in the space provided and press the ‘Redeem Code button’
5. Upon successful redemption restart your console and load the game

Option 3:

1. On your Xbox, at any time, press the Xbox Guide button
2. Scroll left to the Marketplace Section
3. Select Redeem Code
4. Input your 25-digit code
5. Select OK and it will proceed to allow you to download and install your content

You can verify that your account has these entitlements by going to <http://social.bioware.com> and checking under Profile > Your Registered Game Content (http://social.bioware.com/user_entitlements.php) when you are logged in to that account.

Once your account is entitled you can access The Lion of Orlais and the Fadeshear in the main game. Additionally, you can find more info on this and other unlockables at http://dragonage.bioware.com/da2/info/bonus_items/
