

How to access the “Signature Edition” content

The Signature Edition is a special version of the game that comes with multiple item unlocks as well as The Black Emporium and The Exiled Prince DLC. It can be accessed by redeeming a code located on a leaflet inside the retail box. The items included are Seeker’s Bulwark, Ring of Resilience, Might of the Sten, Apostate’s Courage and Adder of Antiva.

There are two ways to redeem the code. Please note that you must be signed up for X-box Live and logged in to that account for both of these options.

Option 1:

1. At the main menu of Dragon Age II select the **Downloadable Content** menu option
2. Press the Y button on your controller (Redeem Code)
3. Press the A button on your controller to continue
4. Input your 25-digit code
5. Select OK and it will proceed to allow you to download and install your content

Option 2:

1. On your Xbox, at any time, press the Xbox Guide button
2. Scroll left to the Marketplace Section
3. Select Redeem Code
4. Input your 25-digit code
5. Select OK and it will proceed to allow you to download and install your content

You can verify that your account has these entitlements by going to <http://social.bioware.com> and checking under Profile > Your Registered Game Content (http://social.bioware.com/user_entitlements.php) when you are logged in to that account.

Once your account is entitled you can access all of the Signature Edition content in the main game. Additionally, you can find more info on this and other unlockables at http://dragonage.bioware.com/da2/info/bonus_items/
